

## **Crestwood Technology Group Receives Silver Boeing Performance Excellence Award**

*Crestwood Technology Group, specialists in supplying parts for aerospace and the military, has been recognized by The Boeing Company for superior performance.*

Yonkers, NY ([PRWEB](#)) March 26, 2009 -- [Crestwood Technology Group](#) (CTG) today announced that it has received a 2008 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. Crestwood Technology Group maintained a Silver composite performance rating for each month of the 12-month performance period, from Oct. 1, 2007, to Sept. 30, 2008.

This year, Boeing recognized 411 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. Crestwood Technology Group is among 325 suppliers to receive the Silver level of recognition.

"We are absolutely thrilled to have been recognized by Boeing. Receiving the Boeing Performance Excellence Award is a crowning achievement for CTG," said Denise Gilchrist, CTG's President and Founder. "It clearly demonstrates our commitment to their programs and underscores the value of CTG's quality assurance and Authent-Assure® counterfeit avoidance program."
