SOURCE TODAY
TOP 50 DISTRIBUTORS 2012 - 2018

FIRST IN INDUSTRY
CTG is the first and only distributor in the industry to earn the CAAP Accreditation (Counterfeit Avoidance Accreditation Program), the only program managed, regulated and accredited by both customers and industry.

FIRST CLASS FLEET SUPPORT
FROM AOG TO SCHEDULED MAINTENANCE

ROTABLES, EXPENDABLES AND CONSUMABLES
CTG supplies the parts you need for fixed wing, rotorcraft, power plant and ground support equipment.

KITTING & TOOLING PROGRAMS
Keep your fleet moving with CTG’s support services ranging from project kitting and overhaul kits to tooling and ground support equipment.

INVENTORY MANAGEMENT
Let us help manage your excess inventory with our inventory management services. We handle everything from virtual and on site consignments to on site bin management and bonded inventory.

VALUE ADDED SERVICES

FAA DESIGNATED AIRWORTHINESS REPRESENTATIVE (DAR)
CTG’s on-site service rep is 8130-3 inspection certified, providing you same day turnaround.

HARD-TO-FIND PARTS
A global network of trusted resources and an award-winning quality-assurance program allows us to consistently source, inspect and deliver first-rate, hard-to-find parts.

ROTABLE EXCHANGE POOL
This program saves the day by exchanging your unserviceable unit with one of our components that is in serviceable condition, ready for installation.

REPAIR MANAGEMENT PROGRAM
CTG manages the entire repair process from start to finish. We select qualified and approved repair facilities from our global network and facilitate the repair and overhaul of the parts to meet your specifications and deadlines.
